

Gifts that Change Lives

YEAR-LONG DONOR OPPORTUNITIES:

Throughout the year, Mahoning County Children Services gratefully accepts and distributes donations for our children and families. Items donated in the past have included toiletries, school supplies, winter coats and accessories, clothing, infant formula, diapers, car seats, comfort tote bags, comfort blankets, toys, as well as gift cards and monetary donations.

Please contact the agency to discuss your donation suggestion or service project. The Agency does have a “Wish List” which includes a variety of needs. The list is updated throughout the year to align with the agencies’ seasonal, special needs and inventory.

During the Holidays, the Agency’s *Gifts for Kids Holiday Campaign* serves over 400 Agency-involved children. The annual Holiday Campaign seeks winter apparel coats, clothing, gift cards and toys for kids of all ages to distribute to Mahoning County kids. See attached Gifts for Kids Holiday Campaign Flyer for details.

The Mahoning County Children Services Citizens Committee is the fundraising body for Mahoning County Children Services. The Citizens Committee is comprised of both agency staff and volunteers from the community to assist with all aspects related to agency levy campaigns and/or special events which raise proceeds to benefit Mahoning County Children programs and services. The Above the Rim Basketball Event is Mahoning County Children Services’ *signature* event.
