## Editor's Note

## Into the Blue, Above the Rim & Beyond...

It's been a whirlwind several months for Mahoning County Children Services. Spring is one of our busiest seasons as we honored, celebrated, raised community interest and awareness and we even did a little fundraising during several community-wide events with specific focus and purpose including: National Child Abuse and Neglect Prevention Month in April with our *Pinwheels for Prevention Event*, *Pinwheel Display* and *Wear Blue Day*. Blue— by the way— is the national color for Child Abuse and Neglect Prevention Month. For National Foster Care Month in May, we honored all of our Foster Parents at our annual *Appreciation Dinner*. We also hosted our first *Foster/Adoption Informational Open House* for anyone wanting to learn more about fostering and adopting Mahoning County Children. And in between— our now annual and signature event— *Above the Rim Basketball Event*, sponsored by our Mahoning County Children Services' Citizens Committee was a slam-dunk! In June, our *Graduation Luncheon Party* gave us several exceptional reasons to celebrate graduation season as four agency-involved youth graduated from area high schools. Read the article on page 10 that explains why graduating from high school is such a significant accomplishment for these students.

The collective effort of all these special events is a testament that when the community comes together— AMAZING things happen to positively benefit Mahoning County Children now, into the future and beyond!

## Annual Pinwheels for Prevention Garden Display

Each April pinwheels no matter the weather—sun, rain, sleet or snow are “planted” in communities across the nation to raise awareness of Child Abuse and Neglect Prevention Month. The pinwheel is the national symbol for child abuse and neglect prevention. The pinwheels represent individuals who advocated and took action on behalf of a child.

Mahoning County Children Services and Akron Children’s Hospital partner with students from East High School Junior Army ROTC Program to plant a Pinwheel Garden. Over the years, the pinwheels have been on display at various locations throughout the county including Akron Children’s Hospital, Boardman Campus, Downtown Youngstown. For the last two years, the Pinwheel Garden has been displayed on the front lawn of Boardman Park facing U.S. Route 224, one the busiest commercial traffic corridors in the county. The pinwheels were on display the whole month of April.

### FAST FACTS:

The pinwheel and the color blue are the national symbols and color for Child Abuse & Neglect Prevention.

## Youngstown Fire Department 'On Fire' with Win Against Youngstown Police at Children Services' Charity Basketball Event

The competition was hot on the hardwood with a friendly backyard rivalry between the Youngstown Police and Youngstown Fire at Mahoning County Children Services' 2017 **Above the Rim Basketball Event** featuring the annual "Battle of the Blue" basketball game. In front of a standing-room only crowd, YFD captured the win 70-41 over YPD.

The Youngstown Police, winners of the last year's Battle of the Blue Game, battled it out this year against the Youngstown Fire Department. The Youngstown Police Team was led by Officer Jessica Shields. Lt. Christopher Vass served as Youngstown Fire's Team Captain.

### Why Blue:

## “Sweet Cases” Donated for Foster Care

Amanda and Joe Rettig (pictured above) of New Springfield, Ohio raised funds to purchase “Sweet Cases” from *Together We Rise*, a national non-profit that works to transform the way kids experience foster care. *Together We Rise* provides opportunities for individuals and

groups to purchase “Sweet Cases” to donate to local children services agencies which are then given to children entering foster care. The Sweet Cases are intended for children 10 and under and include: a hygiene kit, blanket, stuffed animal, coloring book, crayons, and other various items. When children are placed in foster care, many arrive on short notice and with only the clothing and belongings they have on or with them. Sweet Cases, suitcases, totes, and overnight bags include personal items such as blankets, toiletries, and a plush toy or stuffed animal to cuddle, which helps comfort and ease the child’s transition to a foster home especially at a time when a child feels most vulnerable.

## Thank You Easter Bunnies!

Each year residents and staff of Shepherd of the Valley Boardman and the Coitsville 4-H Club assemble and donate Easter Baskets for Mahoning County Children Services. The beautifully wrapped baskets are filled with a variety of snacks, toys and plush stuffed animals for Mahoning County children and youth.

The Agency also received a surprise visit from the Easter Bunny who enjoyed attention from kids and employees—which means—you’re never too old to enjoy a visit from the Easter Bunny! Thank you to all of our Easter Bunnies.

Fostering Dreams, was founded by Mary Alice and Robert Noble, who along with their organization, have provided numerous years of service as foster/adoptive parents and have directly and positively impacted the well-being of Mahoning County children.

## Celebrating Mahoning County Foster Parents

May marks National Foster Care Month. One of Mahoning County Children Services traditions to support and honor Foster Care Month is with an annual *Foster Parent Appreciation Dinner*. The event is designed to provide a night out and to celebrate, thank and recognize current Foster Parents for providing unconditional love, support, stability and security to our County's most vulnerable children.

This year's event was held May 12 at The Georgetown.

"Celebrating Cultural Diversity Around the World" was this year's theme. Guests were invited to dress in ethnic or cultural and garb. The event also featured entrees of foods from cultures around the globe, ethnic music and performances by the Jones Academy Dancers.

A Community Recognition Award was presented to the AT&T Pioneers who donated 100 child-friendly suitcases to the Agency's foster care unit. The award is presented to an individual or organization that demonstrates outstanding generosity and community service to the children of Mahoning County.

## Too Little to Live: Ohio Works to Prevent Infant Deaths

By: Our Babies Count  
*Special to Mahoning Kids Matter*

Too little to live. Did you know that nearly 1,000 babies in Ohio die each year before their first birthday?

Babies born too soon is the number one cause of baby deaths in Ohio.

Ohio is only as healthy as its tiniest citizens. In addition

to a lower chances of survival, babies born too soon are at risk for poor health later in life due to mental illness, obesity and breathing problems, according to the Ohio Chapter of the American Academy of Pediatrics. Children may also have a harder time in school or be unable to work when they grow up.

*My Babies 1st*, in Youngstown, is a local pregnancy and parenting resource, and *Our Babies Count*, is a state grassroots awareness and education movement. *My Baby's 1st* offers education and tips and

resources like the Empowering Moms Program, Centering Pregnancy®, progesterone therapy and birth spacing. To learn more, visit: [mybabys1st.org](http://mybabys1st.org).

Our Babies Count also includes information on pregnancy tips on its website as well

as prenatal care and resource information about Ohio's five Medicaid health plans

and other resources women can access through their health insurance company like programs that provide free rides to the doctor, doctor rewards programs that offer gift cards just for keeping medical appointments and help finding community resources, paying bills and buying food.

Contact to your local coalition, My Baby's 1st ([mybabys1st.org](http://mybabys1st.org)), and visit: [OurBabiesCount.org](http://OurBabiesCount.org).

Together, we can make a difference and help Ohio babies have a future.

## MCCS Celebrates 2017 Graduating Youth

**M**ahoning County Children Services has several wonderful reasons to celebrate this graduation season!

Four agency-involved youth graduated from area high schools. Mahoning County Children Services recognized the four 2017 grads with a Graduation/Luncheon Party in their honor.

Each year, Mahoning County Children Services' Graduation Committee plans a special Graduation Luncheon Party. This year's Graduation Luncheon Party was

held June 2nd at beautiful Boardman Park

in the Lariccia Family Community Center. The event features a catered lunch, a DJ, dancing, photos and gifts for the graduates. The Grads are encouraged to invite family members and friends to the party and agency staff were also in attendance to celebrate the graduates' achievements

and wish the graduates luck.

Graduation is always a special landmark event for students. However, for these youth, graduation is an especially significant milestone. Many of these students have experienced difficult childhoods and significant trauma throughout their young lives. Remaining in school despite these circumstances and overcoming obstacles is truly an amazing testament and accomplishment and the hope for a bright future.

Congratulations and all the best to our graduates now and in their bright futures!

### Multi-media Campaign to Help Foster/Adoptive Parent Recruitment Efforts

Kicking off National Foster Care Awareness Month in May, Mahoning County Children Services launched a new television, digital advertising campaign. A billboard campaign will follow. The campaign seeks to recruit new foster/adoptive parents in Mahoning County. The agency is experiencing a shortage of licensed foster homes to accommodate

emergency placements (after hours/holidays/weekends, youth 12-18 years old and sibling groups).

### All Visitors to Mahoning County Children Services Will be Screened

If you're planning a visit to Mahoning County Children Services, all visitors to the Agency at 222 W. Federal Street will be subjected to metal-detector security screenings performed by a full-time Mahoning County Deputy Sheriff.

The new screening protocol aims to increase safety for both the visiting public and Agency staff. In addition, the Agency also updated its closed-circuit TV camera system to further bolster the Agency's safety prevention efforts.
