**I. STATEMENT OF PURPOSE**

This memorandum of understanding (hereinafter MOU) to address child abuse and neglect is required by sections 2151.4220, 2151.4221, 2151.4222, 2151.4223, 2151.4225, 2151.4226, 2151.4228, 2151.4229, 2151.4230, 2151.4231, 2151.4232, 2151.4233, and 2151.4234 of the Ohio Revised Code and section 5101:2-33-26 of the Ohio Administrative Code. It is an agreement among **Mahoning County Children Services** and community partners that delineates roles and responsibilities for referring, reporting, investigating, and prosecuting child abuse and neglect cases. The MOU also identifies procedures for collaborative service provisions needed to ensure child safety, permanence, and well-being, and the minimum requirements of screening, assessment/investigation, and service planning, to meet mandates included in children services legislation passed by the 134<sup>th</sup> Ohio General Assembly. Two primary goals of this MOU are:

- The elimination of all unnecessary interviews of children who are the subject of reports of child abuse or neglect;
- When feasible, conducting only one interview of a child who is the subject of a report of child abuse or neglect.

Throughout the state each County Department of Job and Family Services (CDJFS)/Public Children Services Agency (PCSA) provides the following services to their communities:

**Screening:** The capacity to accept and screen referrals of suspected child abuse, neglect, and/or dependency includes but is not limited to the following: Receiving referrals 24 hours/day, 7 days/week; Recording and retaining referral information; Following Ohio's screening guidelines based on Ohio Administrative and Revised Code and categorizing the child maltreatment type; Adherence to a protocol for making screening and differential response pathway decisions regarding referrals of suspected child abuse, neglect, and/or dependency within 24 hours from the time of the referral; Documenting case decisions; And assigning a response priority of emergency or non-emergency to any screened in report.

**Assessment and Investigation:** The capacity to investigate and assess accepted reports of suspected child abuse, neglect, and/or dependency, includes responding to emergency reports within one (1) hour and non-emergency reports within twenty-four (24) hours; Conducting an initial Safety Assessment using a standardized CAPM (Comprehensive Assessment Planning Model) tool within the timeline prescribed in the Ohio Administrative Code; Completing a more in-depth CAPM Family Assessment including a clinical and actuarial risk assessment within forty-five (45) working days with the option of a fifteen (15) day extension for extenuating circumstances as prescribed in the Ohio Administrative Code; Working collaboratively with other investigative agencies when appropriate;

Making traditional response case dispositions within required timeframes; Evaluating the need for protective, prevention, or supportive services and/or court involvement; and documenting all activities and case determinations.

**Service Provision:** The capacity to provide services that ameliorate, eliminate, or reduce future child maltreatment and the conditions which led to abuse, neglect, or dependency includes providing service planning and case management coordination; Identifying and stating the concern and behavior change(s) needed for reunification to occur through the use of the CAPM Family Case Plan; Monitoring the family's case progress, measuring service outcomes, re-assessing safety and risk, and evaluating permanency options by using the CAPM Case Review and Semi-Annual Review tools; And adhering to existing visitation, documentation, and case closure protocols.

The withholding of medically indicated treatment is the refusal to provide appropriate nutrition, hydration, medication, or other medically indicated treatment from a disabled infant with a life-threatening condition.

Medically indicated treatment includes the medical care most likely to relieve, or correct, the life-threatening condition. Nutrition, hydration, and medication, as appropriate for the infant's needs, are medically indicated for all disabled infants; in addition to, the completion of appropriate evaluations or consultations necessary to assure that sufficient information has been gathered to make informed medical decisions on behalf of the disabled infant.

In determining whether treatment is medically indicated, reasonable medical judgments made by a prudent physician, or treatment team, knowledgeable about the case and its treatment possibilities are considered. The opinions about the infant's future "quality of life" are not to bear on whether a treatment is judged to be medically indicated. Medically indicated treatment does not include the failure to provide treatment to a disabled infant if the treating physician's medical judgment identifies any of the situations listed in OAC section 5101:2-36-07(A)(3)(a-d).

**Mahoning County Children Services** places particular emphasis on collecting and preserving crucial information related to key contacts within each facility, specifically addressing allegations of withholding treatment from disabled infants with life-threatening conditions. ## **I. Standards and procedures for removing and placing children**

### **1. Emergency**

Emergency removal of a child from home is necessary when the child is at imminent risk of harm and in need of protection from abuse, neglect, or dependency.

An ex parte order may be issued with or without a complaint being filed. Prior to taking the child into custody the judicial fact finder must make a determination that reasonable efforts were made to notify the child's parents, guardian, or custodian, or there were reasonable grounds to believe doing so would jeopardize the safety of the child, or lead to the removal of the child from the jurisdiction.

Juv. R 6 orders can be issued in-person, by phone, video conference, or otherwise. Reasonable grounds must exist to believe the child's removal is necessary to prevent immediate or threatened physical or emotional harm.

Findings must be made that the agency either did or did not make reasonable efforts to prevent the removal of the child from their home with a brief description of services provided and why those did not prevent the removal or allow the child to return home, and if temporary

custody is granted to the PCSA an additional finding that it would be contrary to the welfare and best interest of the child to continue in the home. If granted, a shelter care hearing must be scheduled the next business day (but not later than seventy-two hours) after the emergency order has been issued. If the ex parte motion is denied, the matter must be set for a shelter care hearing within ten days from the filing date.

## 2. Non-emergency

Upon receiving a report alleging child abuse, neglect, and/or dependency, **Mahoning County Children Services** commences an investigation in accordance with the requirements of section 2151.421 of the ORC. If the final case decision rises to the level of court involvement, **Mahoning County Children Services** shall approach the juvenile court and file a complaint alleging the child(ren) to be abused, neglected, or dependent per ORC 2151.27. The matter will be set for a shelter care/preliminary protective hearing expeditiously by the juvenile court.

Reasonable oral or written notice of the time, place, and purpose of the hearing must be provided to the parents, guardian, or custodian unless they cannot be found. The same parties are also entitled to notification that a case plan may be prepared, the general requirements, and possible consequences of non-compliance with the case plan.

The parties will be served with the complaint and summons to appear before the juvenile court. Unrepresented parties are advised by the juvenile court of their right to counsel. Counsel is appointed for children when abuse is alleged. A guardian ad litem is appointed to all children subjects of abuse, neglect, or dependency proceedings. A separate guardian ad litem may be appointed to minor parents or parents who appear mentally incompetent.

The judicial fact finder must determine whether there is probable cause that the child is abused, neglected, or dependent, the child is in need of protection, whether or not there is an appropriate relative or kin willing to assume temporary custody of the child, reasonable efforts were made by **Mahoning County Children Services** to prevent the removal or continued removal or to make it possible for the child to return home safely, and for temporary custody orders to **Mahoning County Children Services** that it would be contrary to the welfare and best interest of the child to continue in the home. All other temporary orders should be requested and considered at this time.

When a conflict occurs among county partners, the effect is often broader than the individuals directly involved in the dispute. As disputes are often inevitable, this MOU must set forth the local process by which disputes will be resolved so as not to disrupt program effectiveness.

As the mandated agency responsible for the provisions of child protective services, the ultimate decision on how to handle abuse, neglect investigations lie with **Mahoning County Children Services**. Every effort will be made to take into account other subscribers' requests and concerns relating to services.

Criminal investigations and prosecution remain the responsibility of the prosecuting attorney and appropriate law enforcement agencies. **Mahoning County Children Services** will assist these agencies, but in no way, interfere or jeopardize a criminal investigation or prosecution.

For cases that come before the court as it relates to decisions and orders, the Juvenile Judge's rulings are final.

In the event internal conflict resolution efforts fail and a statutorily required participant refuses to sign or engage in the MOU process, the PCSA is to consult with the County Prosecutor to explore available remedies.

#### **VI. CONFIDENTIALITY STATEMENT**

Any report made in accordance with ORC section 2151.421 is confidential. Both the information and the name of the person who made the report under section 2151.421 shall not be released to the public for use and shall not be used as evidence in any civil action or proceeding brought against the person who made the report.

Children services records are not public records and are exempt from Ohio's Sunshine Laws under ORC 149.43. Children Services records are confidential in nature and should be treated accordingly.

ORC section 2151.423 requires **Mahoning County Children Services** to disclose confidential information discovered during an investigation conducted pursuant to section 2151.421 or 2151.422 of the Ohio Revised Code to any federal, state, or local government entity that needs the information to carry out its responsibilities to protect children from abuse or neglect. Likewise, law enforcement, **Child Advocacy Center**, and other entities are expected to release information to **Mahoning County Children Services** for the purpose of carrying out its responsibility of protecting children from abuse and/or neglect.

The confidentiality provisions of this MOU will survive the expiration or termination of this agreement.

Information regarding the report and/or investigation of alleged abuse or neglect may be shared only when dissemination is authorized by OAC section 5101:2-33-21 and in accordance with the procedures outlined in OAC section 5101:2-33-21. The unauthorized dissemination of confidential information is a misdemeanor and is punishable by law.

In the event of unauthorized dissemination of information, the party who learns of the breach of confidentiality will notify the Director of **Mahoning County Children Services** as soon as possible. The notification will be sent to the Director in writing describing the circumstances surrounding the breach. The notification will specify the confidential information released, who is responsible for disseminating the confidential information, how it was disseminated, and the parties who have access to the information without authorization. The Director of **Mahoning County Children Services** shall then refer this information to the prosecutor at their discretion.

## **VII. TERMS AND CONDITIONS AND STATUTORY REQUIREMENTS**

This MOU must be retained for a period of at least seven years per the state of Ohio records retention schedule. Please refer to **Mahoning County Children Services** records retention policy for information on forms to be completed and processes to be followed for the destruction of records.

Consultation among the signatories will be done in person, whenever practicable. When an in-person meeting is not possible the signer may employ the use of alternative methods of communication including but not limited to MS Teams, Skype, Zoom, or telephone as agreed upon by all members. When **Mahoning County Children Services** is seeking consultation with a signer of this memorandum regarding an active referral of child abuse and/or neglect and has met in person or spoken with another signer, **Mahoning County Children Services** will make written contact with the appropriate agency by the next working day to request the needed information and make the referral in writing.

The required members shall review and evaluate the terms and conditions of the MOU every biennium. All required members to the MOU will sign the new or updated agreement. **Mahoning County Children Services** is to submit the MOU to the Board of County Commissioners for review and approval with enough time for any revisions to be made prior to December thirty-first of the year.

This MOU does not inhibit good faith compliance with a subpoena issued by a Grand Jury or in a criminal case. Dissemination of records pursuant to the State's discovery obligations is authorized. However, work product and other privileges are expected to be upheld.

Failure to follow the procedure set forth in the MOU by the concerned officials is not grounds for, and shall not result in, the dismissal of any charges or complaint arising from any reported case of abuse or neglect or the suppression of any evidence obtained as a result of reported child abuse or child neglect and does not give, and shall not be construed as giving, any rights or any grounds for appeal or post-conviction relief to any person.

This MOU shall be governed by and construed in accordance with applicable state and federal laws and regulation. In the event any portion of this MOU is inconsistent with state or federal law, that portion shall be without effect as if stricken from the document and the remaining portion shall remain in full force and effect.

#### **VIII. SIGNATURES OF EACH PARTICIPATING AGENCY**

The signature section authorizes the participating parties of the agreement to begin enactment of MOU protocols and activities. The participating members agree to follow the terms of this MOU and to meet at minimum once every biennium to review terms and conditions, evaluate if updates are needed, and sign a new or amended MOU .

If any individual serving as a signatory changes mid-term, **Mahoning County Children Services** is to provide the new required member with the current memorandum. The new member remains bound by the most recently approved version of the memorandum. Their signature is to be obtained and submitted on or before the next biennial review.

A required member to this agreement may terminate their involvement in the MOU for good cause upon giving reasonable written notice to the other required members in this MOU.
