Children Services

Protecting Children. Preserving Families.

### KIDS & FAMILIES WE HELP:

Mahoning County Children Services has been able to make the Holidays a little brighter and joyous for hundreds of Mahoning County children AND families thanks to the generous spirit of individual community donors, organizations, businesses and corporations.

### WHY WE HELP:

The gifts collected will be given to agency-involved children (ages infants to 18 years ) and families we serve who are in need of Christmas/Holiday assistance. Often, the gifts contributed by our generous donors are the **ONLY** gifts the children receive for the Holidays.

### HOW YOU CAN HELP:

**Child and Family Specific Gifts:** Sponsor one or more children or a Family in Need of Christmas Assistance. The Child's age, gender along with their gift wishes/ideas will be shared with sponsors. For sponsorship of Families in Need, we will share how many families members along with their suggested Wish List ideas.
