HELP MAHONING COUNTY CHILDREN FOR THE HOLIDAYS

KIDS & FAMILIES WE HELP

Mahoning County Children Services has been able to make the Holidays brighter and joyous for hundreds of Mahoning County children and families thanks to the generous spirit of donors, organizations, businesses and corporations.

WHY WE HELP

The gifts collected are given directly to Agency-involved children (ages infants to 18 years) and families we serve. Often, the gifts contributed by our generous donors are the ONLY gifts the children receive for the Holidays.

Holiday Season Especially
JOYOUS and MAGICAL for
